

Distinct Cremations Cremation Services Price List

Unattended Cremation

An unattended cremation is one where there is no formal service and no mourners in attendance. Free of any ceremony, it allows for a celebration of life at a time and place of your choosing.

£1,199

Attended Cremation

Similar to an unattended cremation, an attended cremation is also free of procession, tradition and formal service. Included is either a 10 minute service for up to 8 attendees or a 20 minute service for up to 20 attendees. Both are early morning family-led services allowing you to say your goodbyes in whichever way you choose. You are able to choose which crematoriums from within the Westerleigh network the service takes place at.
