Orders of Service

An Order of Service assists the smooth running of the funeral as well as being a unique and special keepsake for all your family and friends to remember the person who has passed away. Even those unable to attend the service will be able to privately say goodbye.

Should you want to produce an Order of Service for the funeral of the person who has passed away, we can help you construct and produce a high quality booklet for the ceremony. Your Order of Service can include anything you would want, whether a hymn, photo, or reading. Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show the styles that are available.

Where an unattended cremation has taken place, Orders of Service can be especially welcome where a family are having a scattering of ashes ceremony after the funeral has taken place.

Personalised Order of Service Stationery

Price List

Distinct Cremations are able to offer the design and print of personalised order of service booklets should you wish to use these on the day of the service. Often, order of service booklets are used to guide mourners through the service running order, so all in attendance are aware of the hymns, readings, songs or poems that may be read or played. Some mourners like to keep a copy as a memory of the person who has passed. We have many designs and styles available, from floral or religious, to traditional or modern.
